Order Your Commemorative Brick at Run Hill Ridge Today!

Run Hill Ridge

The Dare Education Foundation (DEF), the State Employees' Credit Union Foundation (SECUF) and the Dare County Board of Education, along with our generous sponsors, are providing affordable housing for Dare County teachers.

The mission of DEF is to promote excellence in education in Dare County Schools. One of DEF's goals, through our Teacher Academy Initiative, is to help Dare County Schools recruit and retain quality teachers.

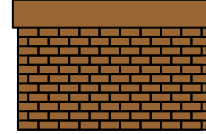

DEF has seized the opportunity to promote educational excellence by building apartments for teachers who consider leaving the school system due to the high cost of living on the Outer Banks and to those who just can't afford to live here.

These teachers now have an affordable option, thanks in no small part to the SECUF and the Dare County Board of Education. The SECUF is providing interest-free financing for the apartments. The land is owned by the Dare County Board of Education and has been designated for this purpose at no cost to DEF.

You can help recruit and retain quality teachers for our students by purchasing a commemorative brick in honor of someone who has made a difference. Your brick(s) will be incorporated into the sidewalks at Run Hill Ridge, Dare's brand new apartment complex for teachers.

\$100.00
In Honor of
Cathy J. Smith
August 1, 2008
