ER Midgett Insurance Company has pledged \$10,000.00 to the Dare Education Foundation in support of providing affordable housing for teachers at Run Hill Ridge, Dare's new apartments for teachers in Kill Devil Hills.

"I am proud to say that the entire ER Midgett Insurance staff has really taken this on as a team effort. It was easy to get everyone on board because of the long term impact that helping provide affordable housing for teachers will make. It feels great to know that we are helping to recruit and retain top quality teachers for local students into the foreseeable future," said Agent Owner Paul Tine.

To honor their generous contribution to the Dare Education Foundation's Affordable Teacher Housing Initiative, commemorative bricks are being inscribed for ER Midgett Insurance staff and they will soon be placed in the Walk of Excellence at Run Hill Ridge.

“Donations like this one are helping DEF keep the rent at Run Hill Ridge below market value. Most important, the apartments are in fact helping Dare County Schools recruit and retain quality teachers for our children. One Run Hill Ridge tenant is a graduate of Manteo High School who has returned to Dare County to teach. It doesn't get any better than that,” added Amy Montgomery, DEF's Executive Director.

Sponsorship opportunities remain available for Run Hill Ridge. For more information about how you or your organization can get involved, call the Dare Education Foundation at 252-255-5545.
