

Members, 2005

In 2005, more than 500 individuals, organizations, and businesses united in enthusiasm and recognition of the value of excellence in education for our community. We apologize for any names omitted.

Founding Members

Our founding members caught the vision of the Dare Education Foundation early on. They made a donation of at least \$500 to the Foundation to help us get started. Our founding members did so based on their belief in our mission and our ability to achieve our mission. Many have continued their support by making annual sustaining gifts.
